

COVID DECODED

Written by Monika Szavai

I would like to share things from a different perspective, which might be confronting for some of you. I humbly ask everybody not to take this personally. I am simply sharing with you my knowledge and insight on this matter.

First of all I do need to give a little bit of a background so please stay with me...

As we all know, Life and everything that exists in the Universe is the *Unconditional Love field* which permeates everything - what we know as the element *Ether* - the unmanifested, expressing itself through the four elements – the manifested. *Fire* came first and is made up of the other elements: *Air, Water, and Earth*. They took form as Life explored polarity and density.

FIRE expresses itself as the *Spiritual plane*, AIR as the *Mental plane*, WATER as the *Emotional plane* and EARTH as the *Physical plane*.

Coming back to our situation...

As George explained to us this energy is a Consciousness Virus. In order for the mind control to be effective, it was necessary for THE MASTERS OF ILLUSION to suppress our breathing, the element Air, because this distortion field, the virus, was created in the Consciousness plane, the Mental plane, which is the expression of the Air element.

This energy, the virus, is **not** capable of infecting the physical body, it can only infect the consciousness of a person, simply because it 'resides' in the Consciousness field - element Air - and **not** in the physical plane - element Earth.

When the consciousness and mind of a person becomes infected by this energy, their perception becomes distorted and, as a result, when suffering from an illness they will attribute that to the virus. A person infected by the virus becomes the "possession" of the Machine. Therefore "possessed" by the Machine they will feel compelled, through distorted reasoning, to take the body of the Machine into their physical body.

When a person says that they were sick with 'covid' they are basing this statement on a 'positive' test.

LET'S REVIEW!

An apparently rational person chooses to have graphene and other highly toxic carcinogens inserted:

- in their brain, through the nasal cavity, exposing their body to possible cribriform plate fissures, resulting in olfactory nerve damage, cerebrospinal fluid leakage, meningitis, and making the brain accessible to pathogens which are called brain eating amoebas (*like Jim Baab explained*)
- in the lymphatic system through the tonsils, which are a set of lymphoid organs. The tonsils are immunocompetent organs which serve as the immune system's first line of defense against ingested or inhaled foreign pathogens, and assist in immune responses to common illnesses such as the common cold.

The genetic material which has been obtained in this matter, which is also **heavily** contaminated with highly toxic carcinogens, is then tested:

- using a technology which is not capable of diagnosing disease, *as its inventor has stated*
- based on a computer code, because as we know *there is no sample of genetic material collected from an infected person who died of covid*
- being amplified by an absurd number of times, *after 7-11 amplifications the test becomes irrelevant*
- resulting in 'positive' tests *including in: papaya, goats, and chicken wings*

Based on the dynamic of the elements which I have shared, the covid virus will **always** be a computer code and there will **never** be an isolated genetic material sample offered.

THERE IS NO OUTBREAK. THERE IS NO DISEASE.

What people are experiencing as 'covid' is the graphene cocktail poisoning.

So when a person says that they were sick with 'covid' in reality they are saying:

I DENOUNCED MY HUMAN NATURE. I AM NO LONGER HUMAN. I AM AUGMENTED!

The covid virus is the Virus of Transhumanism. It **only** exists in the holographic reality created by the TI and it **only** infects those who are choosing the path of Technology. There are also the few who entered into this relationship so they could break the TI from within.

With the insertion of the graphene into the Human Body, the artificial timeline of the holographic reality separated itself from the organic timeline of Earth.

The following is a quote from Dr. Andrew Kaufman psychiatrist. It is from the COVIDLAND documentary released by Alex Jones:

Dr. Kaufman states:

I want to be very clear about this message. The one thing that everyone can do is to refuse testing. And this is because testing is the primary tool that is being used to create artificial cases of a disease which characterizes healthy people. And the number of cases that are found by this meaningless test in healthy people is the main reason that the government is using to shut us down and take away our freedoms. And if you submit for any reason to this test, you are driving that tyranny forward.

As Eril Kaya explained, the Corona virus was released as a desperate attempt to interfere with Mother Earth's and our *Crowning process of birthing a new Universal Expression*.

In the Cycle of Life, the element Air - what was disrespectfully called the Spring Season - represents *Birth, Child, and Sunrise*.

THE MASTERS OF ILLUSION are not Creator beings, which means they don't have access to Ether. They take what already exists - **Sacred, Vital energies**, distort them through sorcery and keep them in a tormented state. They also manipulate human beings to project heavy energies such as: *hatred, resentment, and revulsion* to further poison and torment these energies.

The *corona virus* and the *PCR technology* are beautiful beings held in a state of agony and torment. What we can all do, is take these energies and through our Heart – which is the portal to our Soul, return them into the Ether so they can be restored and birthed anew.
